

Welcome to Second Grade!

August 25, 2016

Dear Parents,

This "Take Home Folder" will be one of our most important tools for communication this year. I will send all homework, completed work, classroom notices, and messages in this folder. Friday school-wide notices will also come home in this folder on Fridays. You can ensure that I see your child's completed homework and important messages from you by sending them to me in this folder (ie. notices of a doctor's appointment, requests for a meeting or phone call, etc.).

Your child must bring his or her folder to and from school EVERY DAY! At school, s/he will place homework and homework folder in "Completed Homework" box. I will look at these items within the morning of each school day. Please make a plan with your child for how s/he can be responsible for this folder each day.

Homework will start gradually beginning Monday, August 29th. More details to come at Open House. Listed below is my classroom website. Feel free to browse before Open House on September 8th at 6:30.
<http://d90meyers.weebly.com/>

At Open house I will go in more detail about homework, our daily schedule, and etc.

PLEASE send a pair of P.E. shoes to be kept in your child's locker all year long.

P.E. class started today!

Mrs. Kendra Meyers
